

## **Get Together**

Love is but a song to sing  
Fear's the way we cry  
You can make the mountains ring  
Or make the oceans dry  
Though the bird is on the wing  
And you may not know why

### **Refrain:**

**Come on people now  
Smile on your brother  
Everybody get together  
Try to love one another right now.**

Some may come and some may go  
We shall surely pass  
When the one that left us here  
Returns for us at last  
We are but a moment's sunlight  
Fading in the grass

### **Refrain (x3)**

If you hear the song I sing  
You will understand (listen!)  
You hold the key to love and fear  
All in your trembling hand  
Just one key unlocks them both  
It's there at your command

### **Refrain (x3)**
