

Man in the Mirror

I'm gonna make a change
For once in my life
It's gonna feel real good
Gonna make a difference
Gonna make it right

As I, turn up the collar on
My favorite winter coat
This wind is blowing my mind
I see the kids in the streets
With not enough to eat
Who am I to be blind?
Pretending not to see their needs

A summer disregard, a broken bottle top
And a one man soul
They follow each other on the wind ya' know
'Cause they got nowhere to go
That's why I want you to know

Refrain:

**We're starting with the kids in the mirror
We're asking them to change their ways
And no message could have been any clearer
If you want to make the world a better place
Take a look at yourself, and then make a change**

I've been a victim of a selfish kind of love
It's time that I realize
That there are some with no home, not a nickel to loan
Could it be really me, pretending that they're not alone?
A willow deeply scarred, somebody's broken heart
And a washed-out dream
They follow the pattern of the wind ya' see
'Cause they got no place to be
That's why I'm starting with me

Refrain (x3)
