

## Set on Freedom

I woke up this morning with the might on my mind, set on freedom (x3)

How 'bout you? (How 'bout you?)

How 'bout you? (How 'bout you?)

Freedom for all of us.

Walkin' and talkin' with the might on my mind, set on freedom (x3)

How 'bout you? (How 'bout you?)

How 'bout you? (How 'bout you?)

Freedom for all of us.

Singing and dancing with the might on my mind, set on freedom (x3)

How 'bout you? (How 'bout you?)

How 'bout you? (How 'bout you?)

Freedom for all of us.

It ain't no crime having your mind set on freedom (x3)

How 'bout you? (How 'bout you?)

How 'bout you? (How 'bout you?)

Freedom for all of us.
