

"We are the World"

There comes a time when we heed a certain call
When the world must come together as one
There are people dying
And it's time to lend a hand to life
The greatest gift of all

We can't go on pretending day by day
That someone, somewhere will soon make a change
We all are a part of this great big family
And the truth, you know,
Love is all we need

[Refrain:]

**We are the world, we are the children
We are the ones who make a brighter day
So let's start giving
There's a choice we're making
We're saving our own lives
It's true we'll make a better day
Just you and me**

When you're down and out, there seems no hope at all
But if you just believe there's no way we can fall
Well...well...well
Let's realize that a change can only come
When we stand together as one

[Refrain]
